Uses of Resort Tax Revenue:

The Resort Tax Ordinance specifies that the proceeds from the tax be distributed as follows:

- 25 percent to property tax reduction for taxpayers residing in the City of Whitefish.
- 65 percent to the improvement of streets, sidewalks, gutters, curbs and City related underground utilities.
- 5 percent to bicycle paths and other park capital improvements.
- 5 percent to administration of the tax (retained by tax collecting businesses).

Resort Tax Monitoring Committee:

The Whitefish Resort Tax Monitoring Committee is a committee created by City ordinance. The purpose of the committee is to (a) monitor the use of Resort Tax proceeds to assure compliance with the voter-approved Resort Tax Ordinance and (b) advise the City Council on matters pertinent to the Resort Tax, such as project recommendations. The committee has no authority to approve or deny projects or expenditures. Such decisions are reserved to the elected City Council.

Committee membership:

The Resort Tax Monitoring Committee has nine members with the following representative positions:

- One member representing lodging businesses.
- One member representing restaurants/bars/taverns.
- One member representing retail businesses.
- One member representing community businesses at-large.
- One member representing the City Council.
- Four members representing the general public.
